FOR IMMEDIATE RELEASE

## **Wealth Without a Job** **New Book Reveals the Secrets to Financial Freedom and Security**

On one side are millions of people who want to start a business, get out of debt, or become wealthy.

On the other side are get rich quick schemes, lotteries, or high risk investments that make big promises but deliver very little.

In the middle are two men with a mission.

Andy Fuehl cofounder of Wealth Builders of America announced his book [Wealth Without a Job](#) (Wiley \$24.95) along with upcoming seminars across the country.

Andy Fuehl has taught **thousands** of people to earn the income they want from work they love.

*“ To get different financial results, you require different decisions, strategies, skills and ways of thinking about money and about yourself. We know that lots of people may not be sure about where to begin,” says Fuehl, a former Fortune 500 executive turned self made millionaire*

This is a very different sort of book on money. It approaches building wealth by dealing with how you think about money, wealth, success, etc. The book tells readers exactly what's holding them back and how to fix it.

Wealth Without a Job is a 14 chapter and 271 page book that will guide you on your path to true riches in life.

Not only is there a book but also there are Wealth Without a Job Three Day Intensive Seminars being held around the country.

###

## BIO

**Andy Fuehl** Master of Money and Business Psychology is a Founder of a fast growing Wealthy Entrepreneur Training company Wealth Builders of America. He teaches people to break free of the job trap and successfully transition to entrepreneurship in the business of their choice. Using the methods Andy teaches in his best selling book *Wealth Without a Job* he went from being Unemployed to Millionaire in less than three years.

Andy is an amazing highly sought after trainer who uses accelerated learning techniques helping people succeed quickly and easily. He has taught thousands to surpass obstacles and fear to become leaders in their industry, and excel to their highest potential. His unique style captivates audiences around the world and more importantly helps participants to take action in the real world where it counts. Andy is also the author of *Profiting in Turbulent Times* and several other books.

Andy is an entrepreneurial leader who has led large-scale technology programs in the communications and computer industries. He is a leader who has built high performance global teams and transformed employees into leaders. He is a graduate from Illinois Institute of Technology in Chicago and has worked for Fortune 500 companies for over 15 years.

## HISTORY

Andy Fuehl grew up in Chicago in a middle class family. Both his parents worked very hard for a living constantly scrimping and saving. Money was always tight in his family and there was no one in his family that was wealthy.

Andy received his Masters Degree in Electrical Engineering in 1985 from Illinois Institute of Technology. He worked in Corporate America for Fortune 500 companies for over 15 years and managed the design of large-scale global communication systems. He climbed the corporate ladder in search for freedom and security and...

One day after many years of loyal service he was laid off and his income went to zero overnight. At this point he made a decision that this would never happen to him again. He decided to become an Entrepreneur and take control of his destiny.

Andy Fuehl started several businesses which ultimately failed. He was losing money quickly but realized that creating wealth is all an inner game.

When he discovered Neuro Linguistics Programming or NLP and Hypnosis everything changed. It was a natural talent that Andy had uncovered. He learned and applied these technologies to business and entrepreneurship to help people succeed quickly.

Since then Andy Fuehl transformed himself into a successful wealthy entrepreneur. He modeled some of the most successful people on the planet in the area of wealth and business and discovered their secrets.

Andy implemented the secrets in his own life and become a millionaire in under three years. He promised and dedicated his life to helping millions of people end frustration and financial struggle and succeed.

Andy Fuehl now teaches the secrets and battle proven strategies to wealth that he discovered and has helped thousands of people to do the same. He has kept his promise and continues to fulfill his mission of making this a more prosperous world for average people like himself.
